

I WILL KEEP CHRIST'S LIGHT SHINING BRIGHTLY

I am committed to supporting Trinity Episcopal Church's mission to help parishioners and the rest of the world strive to know, share and embrace Christ in a loving community. My pledge helps keep the light of Christ burning brightly through our worship services and Christian education, and allows our lights and heat to remain on and our building maintained, as well as enabling Trinity to reach out to those around us who are in great need. By pledging, I am making it possible for our Vestry to set a responsible and accurate budget that allows us to fulfill our mission in the world.
